"Well

done

Maude,

now

get

me

out."

A whimsical illustration of a piggy character, Piggy number 1, pulling a large, round hay bale on a red cart with two wheels. The piggy is wearing a green and white checkered shirt and blue trousers. The hay bale is secured with green ropes. The scene is set in a forest with several tree stumps and a few trees. A red squirrel is perched on a tree stump in the background. Numerous small, colorful birds (blue, green, pink, yellow) are scattered throughout the scene, some perched on tree stumps and others flying. The ground is covered with fallen leaves and small mushrooms. The text is written in a simple, black, sans-serif font, positioned to the left of the piggy character.

Piggy number 1, was a lazy fellow.  
He wanted to build his house as  
quickly as he could.  
So that is what  
he did.

Now Piggy no. 2, wanted to  
build his house out of wood.  
But being slightly lazy,  
though not as lazy as Pig no.  
1, he didn't want to cut down  
any trees, so he used sticks,  
twigs and some old wood he  
bought off the back of  
a lorry. He was just  
finished when...

The Sky is  
Falling in!
