The book cover features a vibrant autumn scene. A large, fluffy red squirrel with a white belly is the central figure, sitting on a wooden log and holding a large, golden-brown nut in its paws. To its right, a small grey squirrel with pink-tipped ears and paws is peeking out from behind a pile of leaves, waving. The background is a bright blue sky with soft white clouds. The ground is covered in a thick layer of autumn leaves in shades of yellow, orange, and red. A blue and white butterfly is perched on a leaf in the lower left corner. The title 'The SQUIRREL who LOST her NUTS' is written in a playful, yellow, hand-drawn font in the upper right. At the bottom, the authors' names 'Will Millard Jo Lindley' are printed in a yellow, cursive-style font. A yellow leaf-shaped badge in the lower right corner contains the text 'Inspired by true stories' in a red, cursive-style font.
