Miss Foran, said we're going to do a performance at the end of the term. I don't like the sound of that at *all*.

Getting up on stage in front of people is my

WORST NIGHTMARE!!

What if I forget the words? What if I fall off the stage in the middle of the show?

I know lots of girls love dressing up and learning dances, but I'm just not into it.

Katie and I walked home together after school, like we always do, and Dad wanted to hear all about my first day as soon as I got in the door.

THURSDAY

OK, so my first day of grade five was

AWESOME!

Miss Spokes is our
teacher (yay!)

and me, Katie,
Yvie, Charlotte
are all sitting at
the same table.

(double
yay!)
