# CRASH! BANG! WALLP!

A celebration of noise  
... and quiet!

CRASH,

BANG,

WALLOP

FOREVER!

Hello there, I'm

**CRASH!**

And you can call me

**BANG!**

I'm **WALLOP!**

Nice to meet you!

We're a loud and  
noisy gang.

Louder, louder, louder!  
We just can't seem to stop.

Until one day we go . . .

FLOP!

KAPUT!

and

POPI!

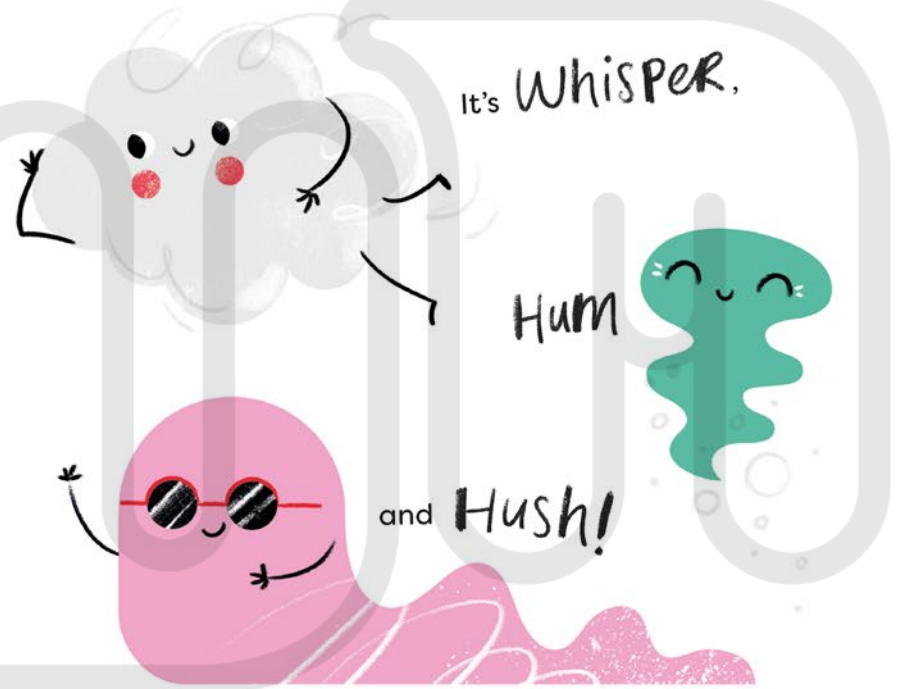

Shh! Who's this we hear?

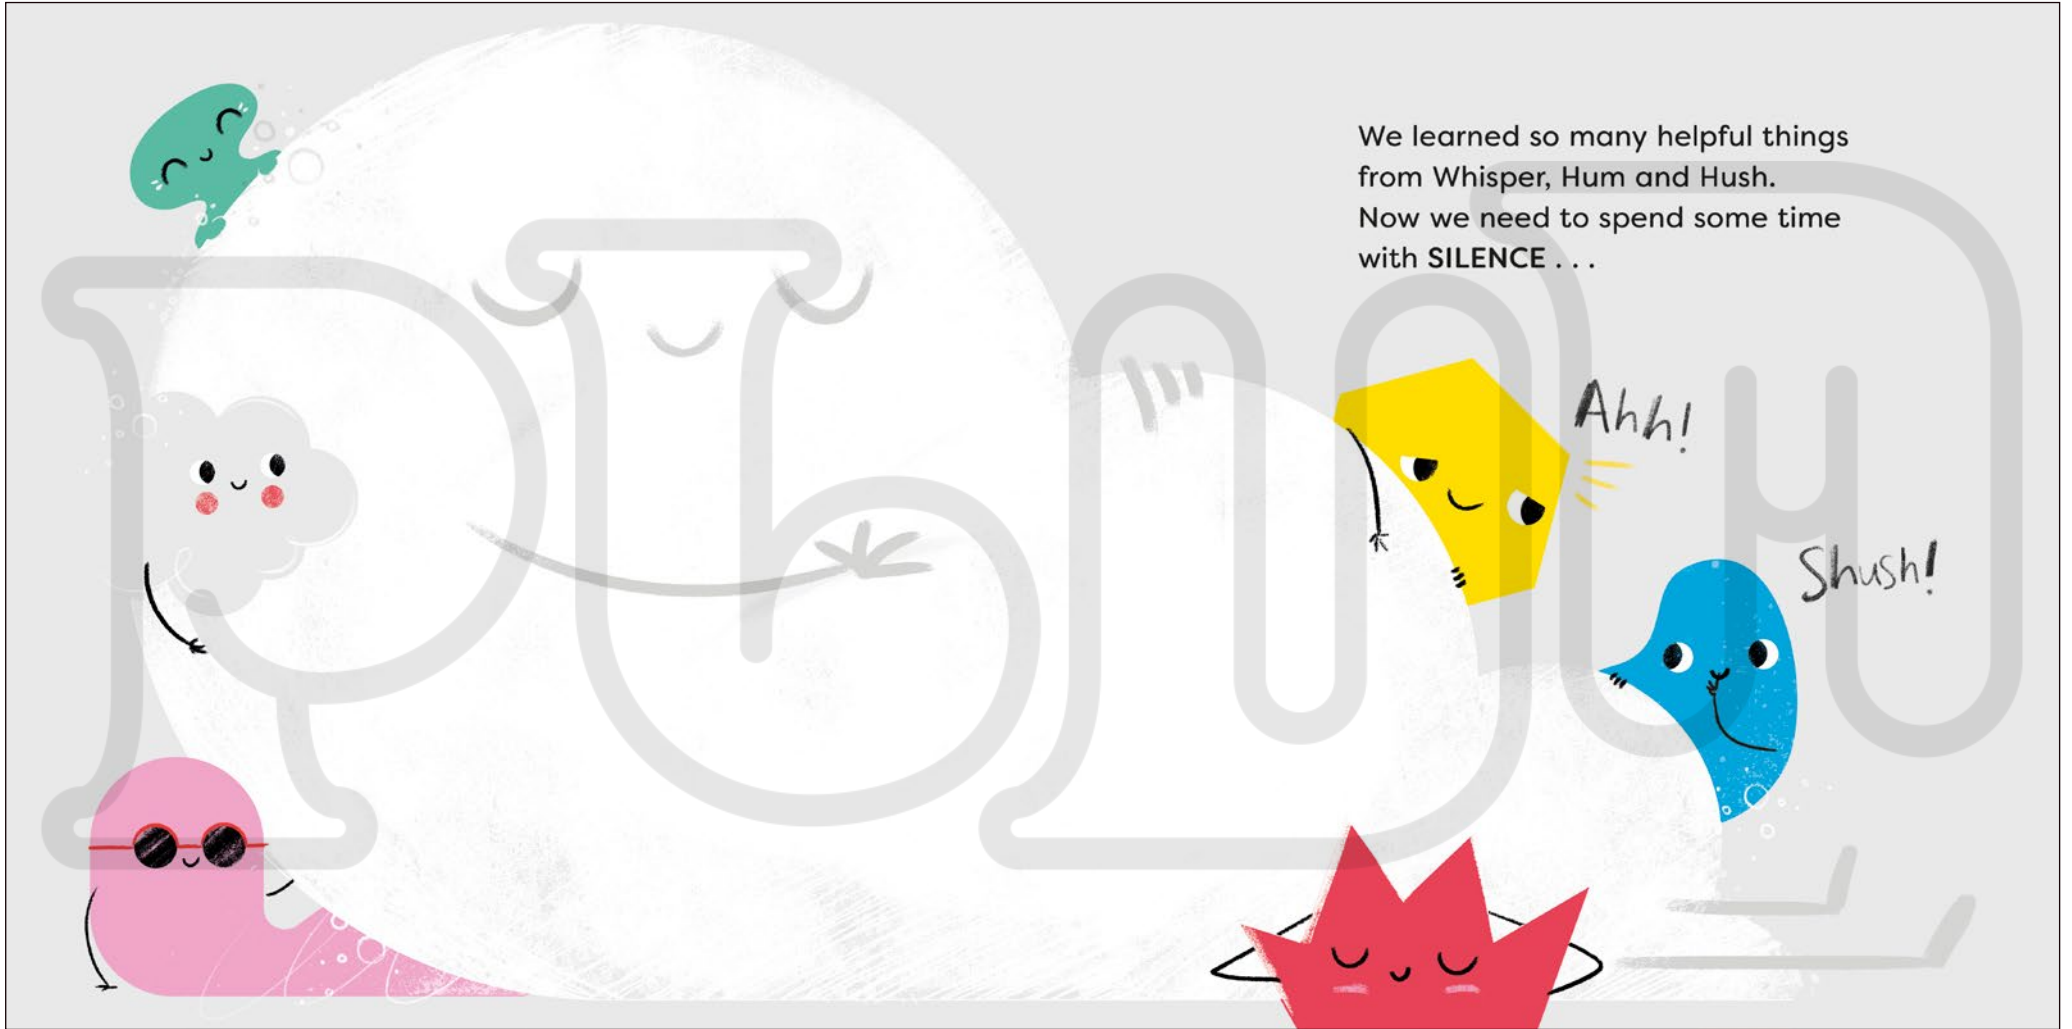

It's WHISPER.

Hum

and Hush!

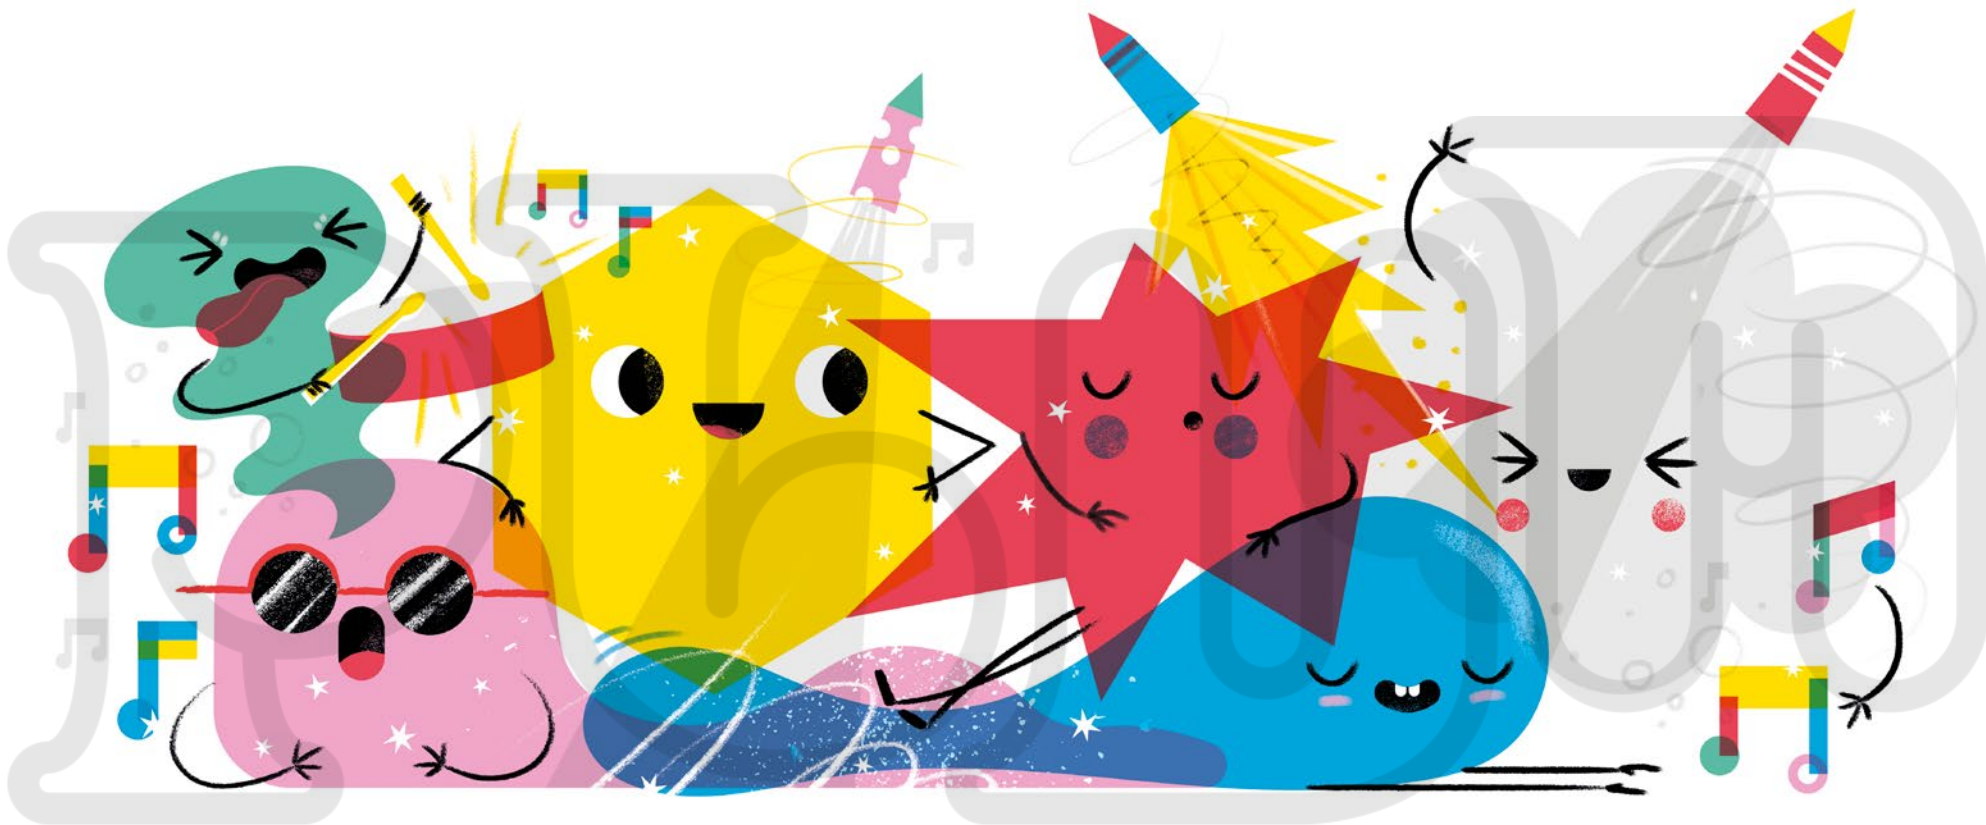

Hush calmly says, "Hello.  
There's no need for a fuss."

We learned so many helpful things  
from Whisper, Hum and Hush.  
Now we need to spend some time  
with **SILENCE** . . .

Ahh!

Shush!

Crash, Bang, Wallop, Whisper,  
Hush and Hum - a team!

We all play well together -  
this team works like a dream.
