ILLUSTRATION

* I'm too busy creating

MY DREAM TEAM...

FWEET

...and checking out
the players'
HAIRSTYLES.
There are so many
different looks.

My new cornrows
will be a great way to
look after my hair while
I'm playing football.

WHEN I'M OLDER...

I might take my hair on different journeys.

A fab new colour

Braids and beads

In a bun, like Mum

Long dreadlocks

Wavy and relaxed

A looser Afro

But it will always be
MY hair.
And I'll always be **ME**.

HOW
