Inspector Pat Cornelian

1891

Pat got the position passing an extremely tough correspondence exams

Her office is so untidy!

Sharp as a tack

DO NOT DISTURB

What's inside Inspector's purse?

- Pen
- Notebook
- Magnifying glass
- Aniseed balls
- Handcuffs

Romantic when it comes to flowers and fragrances. Pat has an incredible sense of smell

Rather authoritative at times

Able to endure her constables getting into trouble

Ready for a new case
